Conclusion

There are plenty of options as to what you can do with your league to celebrate at the end! Many leagues will take a specific amount of money from each bowler's weekly dues to put into a "prize fund" to give back to bowlers at the end in form of prizes. Other leagues take that same money and put it towards getting each bowler a bowling ball, a vacation, or even something as simple as tickets to a game! Begin thinking about what the league as a whole would appreciate the most and we can help you put it into action.
